Siksika Nation IT Fundamentals Training Application Information

The information technologies sector (IT) sector in Siksika Nation is an exciting and growing field, and you're invited to join in. Apply for the IT Fundamentals training by completing the online application form.

Siksika Nation is partnering with Computing Technology Industry Association ("CompTIA") a leading international IT company that provides education and certification in a wide range of technology topics. As Siksika Nation grows its local IT sector, people who live and/or work on Siksika Nation who are interested in pursuing education or careers in IT are invited to apply to participate in the Siksika Nation IT training program.

The Siksika Nation training program is an introduction to basic information technologies (IT) knowledge and skills. The course helps those that are interested in IT gain a better understanding of the field, and reinforces whether an individual might want to pursue further education or a career in IT. Trainees will learn a wide range of skills including:

- ✓ Tech Basics
- ✓ Data & Privacy
- ✓ Internet Technologies
- ✓ Cybersecurity
- ✓ Networking
- ✓ Operating Systems
- ✓ Hardware
- ✓ Databases
- ✓ Coding
- ✓ Applications & Software
